GV CHRISTIAN SCHOOL

The Pursuit of God, Knowledge, Compassion & Leadership

Let us introduce ourselves...

GV Christian School operates as a ministry of GV Christian Center. We are a private Christian school with very high academic and spiritual standards. The school is operated as an exempt school under the provision of NRS 394.211 and as such is exempt from the provisions of the Private Elementary and Secondary Education Authorization Act. Each year as we have strived to be the best Christian school in the United States, our students' test scores have continued to rise. Our school tested, on an overall basis, two to four grades above the national norm.

Located in Green Valley, a suburb of Henderson, Nevada; GV Christian School has earned and maintained an excellent reputation for quality Christian education in the community. The mission of our school is to train Christian young people to achieve their fullest potential spiritually, academically and emotionally. All of our faculty members are Christians and have a call on their life, to educate, mentor and train young people. Our faculty has a desire to be of service to both parents and students. The administration is dedicated to providing an academic environment that is safe and challenging for students. Everyone that comes to GV Christian School will be challenged both academically and spiritually and should feel loved and cared for as we strive to maintain our excellent standards.

GV Christian School admits students of any race, color and national origin to all rights, privileges, programs and activities accorded or made available to the students at the school.

Our Motto

"The Pursuit of God, Knowledge, Compassion and Leadership."

Our Goal

It is our passionate goal to be the best Christian school in the United States. This goal is at the heart of every policy we make and every program that we offer. We believe this goal is completely attainable over the next few years as we continually strive to be the best. It is our goal to provide an academic and spiritual environment that would challenge our students to achieve their academic best, as well as to be spiritually and emotionally maturing at an advanced pace.

Our Purpose...

GV Christian School will prepare and provide each student an opportunity to succeed in the four areas listed below:

1. Pursue God: To develop spiritually mature and active Christians who are followers of Christ and are capable of defending and articulating their faith. It is our aim to instill in our students the desire and ability to develop a lifestyle of spiritual growth; and to prepare them to successfully live out a faith that is vibrant, living, and expressive.
2. Pursue Knowledge: To prepare students to enter the college of their choice as confident, academically advanced individuals ready to succeed at all levels of higher education. It is also our goal to educate students with a global worldview that will prepare them to succeed in an international marketplace.
3. Pursue Compassion: To provide an atmosphere where students can experience, express, and exhort others to a life of compassion. Every student will be given opportunities and also challenged to demonstrate compassion in their interaction with friends, family, faculty, and the community.
4. Pursue Leadership: To mentor today and tomorrow's leaders in whichever field of study or career the student chooses to pursue. It is our goal to prepare each student to meet the challenges and successes in life as a healthy follower of Christ, capable of living a life of integrity, excellence, and fortitude. Enabling our students to be world leaders.

GV CHRISTIAN SCHOOL

The Pursuit of God, Knowledge, Compassion & Leadership

- A Word from the Principal -

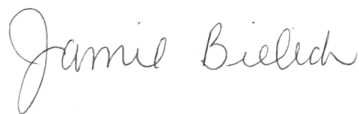

I am so excited that you have chosen to apply to GVCS for your child. We take the decision you have made for your child's education and spiritual growth very seriously. It is our commitment and mission to set the standard in Christian education. We seek to provide an exceptional education both academically and spiritually. It is our passionate objective to be the best Christian school in the nation. All of our resources are aimed at meeting this attainable goal. We use nationally standardized testing to compare our students to other schools to ensure that we are on track. In every subject and at every grade level, GV Christian School placed higher than the national average on this test.

Our faculty has been carefully chosen to maintain the highest standard of academic and spiritual mentoring for children. The administration and faculty profess faith in Jesus Christ as Lord and Savior. They view their position at GV Christian School as a calling from God and not simply as a job.

We are delighted to have you apply. Attendance at GVCS is a privilege and not a right. It is a privilege that may be forfeited during the testing process or by failure to adhere to the rules. Every regulation is intended to develop character and to provide an atmosphere that is conducive to learning. In order to maintain a happy and harmonious atmosphere, which is conducive for educating children we must strive for unity. If we are to achieve the maximum for the student we must work together as parents and educators. In the event we do not have a harmonious relationship with a parent, or if a parent is sowing discord among other parents, the parent sowing discord will be asked to find another school. It is our desire to protect the school, parents, and students from gossip that tears down the work that God has given to us. "A house divided against itself will not stand."

In closing, I must say it is an honor to serve you and your child at GV Christian School. May the Lord pour His blessings on you this coming school year.

In His Service,

A handwritten signature in cursive script that reads "Jamie Bielich".

Annual Tuition

Annual tuition fees do not include days when school is not in session (i.e. Teacher In-Service days, ACSI Convention, Christmas Break, and Easter Break). Safe Key may be provided for an additional fee. See yearly calendar and handbook for details. There is no vacation credit for school tuition accounts.

All registration fees and tuition are non-refundable, non-transferable for the 2025-2026 school year and are due by their respective due dates (or at the time of registration if registering after the due dates).
Registration Fee: \$495 is due at the time of registration.

Monthly tuition payments are due on the 1st of each month, June through May, and are considered late after the 5th of each month. Any tuition account not paid in full by the 5th day of the month will be assessed a \$50 late fee per each unpaid tuition. If tuition is not paid in full, or if payment arrangements on the tuition balance are not made by the 10th of the month, your child will not be able to attend class until the balance is paid. If class is not in session your position will be released to a student on our waiting list beginning on the 11th of the month. Tuition will not be refunded for any reason.

The before and after school care program, Safe Key, is a charge of \$10 per day, per child. Additional daily fees apply to early dismissal days and holiday weeks. Payments for this service are due each Wednesday by close of business for the previous week's usage. A \$25 late fee per child will be charged for any Safe Key balance that has not been paid in full by Wednesday each week. After 6:00 PM, a fee of \$1.00 per minute, per child, will be charged. The fee will be charged directly to your account. If a child is not picked up by 6:30 PM, Child Haven will be called. If there is a Safe Key balance that is 2 weeks behind, the student(s) will not be able to attend school until the balance is paid in full.

Additional fees such as Clubs, Sports Fees, Sports Uniform Fees, and our Lunch Bag program fees are due on or before their assigned due dates. This is not an all-inclusive list of additional services/fees. Please access your account weekly to stay current with your charges. If there is a balance that is 2 weeks behind, the student(s) will not be able to attend school until the balance is paid in full.

Returned payments will be assessed a \$30 returned payments fee. After two payments have been returned, personal checks will no longer be accepted on your account. All future payments will have to be paid by money order or cashier's check. We do not, under any circumstance, accept cash as payment. This policy is strictly enforced.

My tuition account must be current with no outstanding balance in order to register for re-enrollment, for report cards to be released, and for my child to participate in year-end activities.

If I withdraw my child, my balance must be paid in full in order to have my child's records released. If I voluntarily withdraw my child for any reason, at any time, any monies paid toward tuition, registration, book, activity, enrichment/expedition, technology, and club fees are non-refundable and non-transferable.

In the event that an unpaid account goes to a collection agency, I understand that I will be responsible for all fees incurred, such as, but not limited to attorney's fees, court costs, mailings, and any fees the collection agency charges.

I understand that this agreement is not an all-inclusive list of the policies and are subject to change. I understand that it is my responsibility to read and adhere to the policies outlined in the GV Christian School Parent/Student Handbook.

Required Summer Reading

Dear Parents and Students,

All good college preparatory programs have students working on something over the summer to keep their minds active. The required summer reading list for each grade is listed below (books can be purchased or checked out from your local library). All students are required to have read their designated novels by the first day of school. Please be ready for discussions, quizzes and tests over the novels for your grade. There will be a reading comprehension test on each of the required readings the first week of school. This will count towards your English grade, so read carefully and with understanding. Reread if necessary.

As always if you have any questions please don't hesitate to email Mrs. Bielich, Elementary Principal at jbielich@gvchristian.com or Mrs. Smith, Jr. & Sr. High Principal at ssmith@gvchristian.com.

We hope that you all have a fantastic summer!

Fingerprint Background Waiver

As an applicant who is the subject of a Federal Bureau of Investigation (FBI) fingerprint-based criminal history record check for a noncriminal justice purpose you have certain rights which are discussed below.

1. You must be notified by GV Christian School
(name of requesting agency) that your fingerprints will be used to check the criminal history records of the FBI and the State of Nevada.
2. If you have a criminal history record, the officials making a determination of your suitability for the job, license or other benefit for which you are applying must provide you the opportunity to complete or challenge the accuracy of the information in the record. You may review and challenge the accuracy of any and all criminal history records which are returned to the submitting agency. The proper forms and procedures will be furnished to you by the Nevada Department of Public Safety, Records Bureau upon request. If you decide to challenge the accuracy or completeness of you FBI criminal history record, Title 28 of the Code of Federal Regulations Section 16.34 provides for the proper procedure to do so:

16.34 - Procedure to obtain change, correction or updating of identification records. If, after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency.

3. Based on 28 CFR § 50.12 (b), officials making such determinations should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
4. You have the right to expect that officials receiving the results of the fingerprint-based criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal or state statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

5. I hereby authorize GV Christian School (name of requesting agency), to submit a set of my fingerprints to the Nevada Department Public Safety, Records Bureau for the purpose of accessing and reviewing State of Nevada and FBI criminal history records that may pertain to me.

In giving this authorization, I expressly understand that the records may include information pertaining to notations of arrest, detentions, indictments, information or other charges for which the final court disposition is pending or is unknown to the above referenced agency. For records containing final court disposition information, I understand that the release may include information pertaining to dismissals, acquittals, convictions, sentences, correctional supervision information and information concerning the status of my parole or probation when applicable.

6. I hereby release from liability and promise to hold harmless under any and all causes of legal action, the State of Nevada, its officer(s), agent(s) and/or employee(s) who conducted my criminal history records search and provided information to the submitting agency for any statement(s), omission(s), or infringement(s) upon my current legal rights. I further release and promise to hold harmless and covenant not to sue any persons, firms, institutions or agencies providing such information to the State of Nevada on the basis of their disclosures. I have signed this release voluntarily and of my own free will.

A reproduction of this authorization for release of information by photocopy, facsimile or similar process, shall for all purposes be as valid as the original.

In consideration for processing my application I, the undersigned, whose name and signature voluntarily appears below; do hereby and irrevocably agree to the above.
